Welcome Address

Dear Partners,

Warm greetings from HOC Vedanta & M | O | C Cancer Care & Research Centre!

It is with immense pride and excitement that we invite you to the “Officially Licensed Best of San Antonio Breast Cancer Symposium 2024, being hosted in India for the **second consecutive year**. This prestigious academic event is scheduled on **11th & 12th January 2025 at the Hyatt Regency, Ahmedabad; under the aegis of HOC Vedanta & M | O | C Cancer Care & Research Centre.**

The San Antonio Breast Cancer Symposium (SABCS) is a globally renowned annual academic program for delivering ground-breaking research and practice-changing science in breast oncology. This year, we once again bring its invaluable insights to Indian soil, creating a dynamic platform to discuss, debate, and adapt the latest advancements to the Indian healthcare context.

What to Expect at Best of SABCS 2024?

- **Comprehensive Academic Agenda:** Insightful sessions from the original SABCS and panel discussions to establish their validity, concordance & discordance in the Indian context, led by India's top breast cancer experts, focusing on MDT (Multidisciplinary Team) approaches.
- **Esteemed Faculty & Delegates:** Over 150–200 leading experts and 300+ oncology professionals from across India.
- **Cutting-Edge Science on the Following Topics:**
 - » Hormone Positive Breast Cancer
 - » Precision Breast Oncology
 - » HER-2 Mutated Breast Cancer
 - » Pregnancy & Breast Cancer
 - » Triple Negative Breast Cancer
 - » Lifestyle & Breast Cancer

Why Attend?

- **Collaborative Learning:** Engage in case-based interactive discussions to translate global breakthroughs into meaningful solutions for Indian patients.
- **Expert Networking:** Connect with the finest minds in breast oncology and allied specialties.
- **Tailored Insights:** Explore how the latest research from SABCS 2024 applies to the Indian clinical landscape.

This two-day academic feast promises to redefine breast cancer care in India and create a strong foundation for collaborative advancements. We encourage you to be part of this extraordinary opportunity to find means of academic engagements with these experts using this platform in the interest of your products and services.

Let's come together to shape the future of breast oncology!

Warm Regards,

Team HOC & M | O | C.
